Dear Mr. Quinn:

The New Hampshire Department of Environmental Services, Air Resources Division ("DES"), has reviewed the actions taken by St. Thomas Aquinas High School ("St. Thomas Aquinas") in response to Letter of Deficiency No. ARD 06-010 ("the LOD"). DES believes that the specific issues addressed in the LOD have been resolved in a manner consistent with the NH Administrative Rules Env-A 100 *et seq.*, NH Rules Governing the Control of Air Pollution. Based upon a determination by DES that compliance with the LOD has been achieved, DES issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of St. Thomas Aquinas. This letter does not provide relief against any existing or future violations, and refers only to the compliance issues addressed in the LOD.

DES recognizes the efforts that St. Thomas Aquinas has taken to come into compliance. If you have any questions regarding this Letter of Compliance, please contact Barbara Hoffman, Compliance Bureau, Air Resources Division, at (603) 271-7874. Thank you for your cooperation.
